(Please see details in 2016 Annual Report)

Presentation of 2017 Budget - Linda Suydam & Paul Browne, Director of Finance & Operations

(See detailed budget in 2016 Annual Report)

Expenses are expected to increase by ~ 7.5%, Of that:

54% related to mortgage and increase in fair share
46% operations, COLA, raise for DRE, music program

Expect endowment fund earnings to remain about flat in 2017.

Questions from congregation:
What is the percentage increase of COLA?

A COLA of 1.7% was put into the budget
Vote to Accept the 2017 Budget - Michael McDonald
Vote to accept 2017 budget passed unanimously

Capital Budget Discussion - Paul Browne
3 projects need to be done in 2017, will be funded with resources already available
Buildings and grounds committee to develop a list of proposed projects
Overall plan to regularize the process of capital fund use and capital project execution

Questions:
Aren’t we paying principal on mortgage payments?
We are already paying principal, and will continue to pay principal. In 2016, the mortgage reserve covered some of our principal payments. In 2017, the operating budget contains principal payments for the entire year, and therefore shows a year over year increase in mortgage payments.

Please Describe the Mortgage Reserve
We previously had put $30,000 into a reserve, and used it in 2016 to pay the principal in the mortgage

Is insurance included in misc. expenses?
Yes premiums for umbrella policy are in the misc. category, and the mural is covered by the umbrella policy.

2017 Capital Improvements Budget Vote – Michael McDonald
Vote to approve 2017 capital budget passed unanimously

Discussion of and Vote to Approve Changes to the By-Laws - Geri Knoebel & Michael McDonald
5 by-law amendments on the table, plan to vote on them together as one slate of amendments

Bylaw item #1 - branches don’t have access to membership book. The database is the real document that tracks our membership
Bylaw item #2 - LSC can vs. will
Bylaw item #3 - don’t have a section to ordain, even though we’ve done it.
Bylaw item #4 - board electronic communication policy
Bylaw item #5 - board-level committees and task forces

Motion: Adjust item #2 wording from “can” to “may”?
Motion seconded
Vote to accept proposal to adjust bylaw item #2 from “can” to “may”

Motion fails. Proposed bylaw item #2 will be voted on later in meeting as was initially proposed with “can” in language.

Questions:

What was reason to add “church community”? initial idea was to involve experts on specific topics

What is the rationale of removing the word "the" in terms of "nominating the members” This was for clarification of the process for better transparency

Motion to vote separately on elements due to multitude of wording questions

Motion seconded.

Vote to consider/vote on each bylaw amendment item separately

Vote passes, each bylaw amendment item will be considered/voted on separately.

Bylaw Item #3

Discussion - no discussion

Vote to approve

Vote to approve bylaw item #3 passes

Bylaw Item #4

Discussion – (there was plentiful discussion on this motion)

Question: Why was this proposed and what does it really mean? This was proposed because generally if there are 2 people who object or who vote no, more discussion is almost always needed. For electronic meetings, this is above and beyond the normal requirements of a board vote due to the disconnected nature of the meeting.

Motions to amend Bylaw Item #4
Many different wordings were proposed from the floor as motions. Discussion ensued. Did not land a on a single clear wording from the floor.

**Motion to table Bylaw Item #4 until later in the meeting**

**Motion seconded**

Vote to table Bylaw Item #4 until later in the meeting when we can view the wording in writing on the projector

Motion passes, Bylaw Item #4 tabled to later in the meeting

**Bylaw Item #5**

**Discussion**

Question: Is there another reference to “the church community” in the bylaws? Don’t think so.

Is “friend of the church” defined somewhere?

Yes.

**Vote to approve**

Vote to approve bylaw item #2 passes
