14. Vote to accept the 2019 Operating Budget - Michael McDonald, Moderator
   Motion: Approve the proposed 2019 Operations Budget as presented.
   a. Motion Made by: Linda Skye
      i. Concerns raised about Albuquerque Interfaith not supporting LGBTQ rights or Women’s Reproductive Rights: Motion to amend budget to remove $1k for that organization. Made by Tara McCaughin
      ii. Second by Elizabeth Berrey
      iii. Discussion: Recommendation for investigation before voting, explanation that we are a member because we are engaged with 12 other churches and two charter schools on specific issues; the fact that this particular organization does not stand with us on all issues is not a reason to discontinue membership and contribution. Question as to which organization is being addressed; answer is that this is referring to
Albuquerque Interfaith. Membership allows us to influence and guide the organization. We are also supporting members of several other organizations, including reproductive justice and LGBT rights supporting organizations. We can bear witness to these concerns within that organization. Albuquerque Interfaith does not work against these concerns, and as a democratic organization, we can encourage those issues to be addressed; and as a relational organization, we are building relationships.

1. Motion to call the question: Question called by voice vote.

iv. Vote by Voice: Motion to amend the budget failed on voice vote.

b. Vote by Voice: Motion to approve the budget passed on voice vote.

15. Presentation on Social Hall Renovation

16. Votes on Social Hall Renovation - Michael McDonald, Moderator

To accept the Spending Plan

Motion: that the Board and Building Task Force be authorized to spend not more than the total pledged amount to proceed with the design and construction phases for the social hall renovation and the south parking lot paving.

a. Motion Made by: Pat Diem

b. Discussion: Paving of the South Parking Lot optional; but is in the proposal and the cost is higher than pledged amounts. South Parking lot was in the initial plan; and will remain in the concept plan pending final budget amount, counting additional pledges that may be made over the next couple of years; parking lot is not the priority, but if funding is available, it will be added to the scope. When this sanctuary was completed, there were items that did not work; please complete a punch list before we pay for everything. If additional funding is not obtained to complete the parking lot paving, will there be another funding drive? If additional funds are not obtained, we will have to find other funding sources. It is good that the parking lot is in the plan to generate information even if we can’t get the funding now. Is getting additional funding for the remainder of the project a standard procedure? Punch list was completed on this building, and will be done again on the remodel.

d. Vote by Voice: Approved by Acclamation.

To Authorize Incurring Short Term Debt

Motion: that the congregation authorize negotiating a short term construction loan not to exceed $1,000,000.00 to proceed with the social hall renovation to be paid off by congregational pledges over three years.

a. Motion Made by: Pat Diem

b. Vote by Voice: Approved by Acclamation.
